Vision of the University

To be a premier institution for graduate, post graduate studies and research innovations by educating leaders of the future.

Mission of the University

To promote global competitiveness by providing multiple opportunities for excellent education, applied research, academic innovation and service to the humanity.

Our aim is to achieve academic excellence by providing state of the art academic infrastructure/learning resources, updated curriculum as per contemporary need of the market and a platform for basic/ need based research leading to patents, entrepreneurship & innovations. The focus is to produce good citizens with overall growth of personality through co-curricular and extra-curricular “Activities by the Students for the Students”. Career point develops students by providing an environment for personal growth, opportunity, knowledge, exposure, personal attention and career direction. This is in the line with our nation’s inspiration, which is to build a generation of professionals catering to a knowledge-based economy to meet global needs. Career Point has also continued its efforts to strengthen the curricula and at the same time, to explore research areas that will significantly contribute to the development of the nation and wider business quality-controlled organization.

AAA Committee

The Academic and Administrative Audit Committee for the year 2015-16 consisting of the following members were constituted:

1. Prof. Jitender Singh - Chairman
2. Dr. Anupam Manhas - Member
3. Mr. Karan Thakur - Member Secretary

The AAA committee visited all departments, Library, Sports complex, Computer Laboratories, Administrative office of the University and other offices. The faculty members made PPT presentation about the performance about their respective departments and the members of the AAA Committee interacted with HODs, Faculties and staff members to assess the academic and administrative performance of the University.

Conclusion

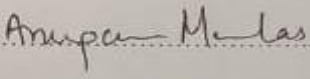

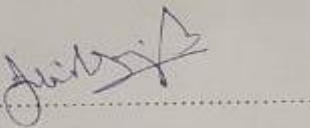

All departments have young, active and qualified faculty members. The teaching faculties are involved in research activities but they need to unleash their potentials through research projects and publications. The associations with other organizations for research, training and placement have been made. Most of the departments are organizing seminars/workshops and conferences and these activities shall be continued in future also.
