

A Brief-Report on National Seminar on the Theme "Enhancing Livelihood Options for Rural Community"(13-12-2022)

Directorate of community services Career Point University Hamirpur Himachal Pradesh organized a National Seminar on the Theme "Enhancing Livelihood Options for Rural Community"

About the event

To ensure sustainable alternative live food options for the villagers through the following objectives:

Exhibition:

- (i) To showcase local manufactured products and exchange of ideas and to showcase traditional knowledge for healthy lifestyle and live hood generation.

Critical evaluation:

- (i) Identification of problems faced by the local artisans and manufactures.
- (ii) Exploration of potential solution based in identified problems.

Brainstorm meet:

- (i) Exploring potential of Self Help Groups for enhancement of livehoodinnovative technology by uniting with traditional wisdom.
- (ii) Develop linkage between industries self help group to provide marketing and commercial platform & highlight importance of vocal for local to global.

Expected outcomes:

- (i) Proper utilization of locally available raw material.
- (ii) Strengthening the economy of rural women through Employment generation at their doorstep and also strengthening their SHGs through value chain value addition of locally available.

Expected Outcomes:

- (i) Proper utilization of locally available raw materials.
- (ii) Strengthening the economy of rural women through employment generation at their door-steps and also strengthen their SHGs through value chain.
- (iii) Value addition of locally available resources and decorative items.
- (iv) Promoting conservation, cultivation and utilization of plant-resources.
- (v) Refinement of traditional products as per the need of market and modern world technologies.
- (vi) Sustainable use of local resources, capacity building of local manufacturers and ease of product to the market.

Future Perspective:

- (i) Providing entrepreneurship to 35,000 ladies from 12 districts of Himachal Pradesh in one year and increasing this number to 1,00,000 ladies in next 3 years.
- (ii) Getting the ladies of the Self-Help Group (SHGs) linked with the industries.

- (iii) Selecting some productsamples and adding value to them, then analyzing their quality, then followed by mass production also helping in employment generation at the community level.
- (iv) Capacity building of farmers/ladies at district level about cultivation of oyster mushroom all over the year and strengthen their economy.
- (v) Nursery rising of flowering, ornamental, aromatic & medicinal plants and promote & disseminate it in adopted villages.

Demonstration of Dragon Fruit Cultivation: A Pioneer Work at H.P. For Up
Scaling of Rural Livelihood
(8.09.2023)

Theme: Demonstration of Cultivation Practices

Objective of Tour: To address all the queries of farmers and student related to the Dragon fruit cultivation

Key Note Speaker: Ms. Riva Sood (A Woman Agripreneur)

Convener: Dr. Gulshan Kumar (Associate Director DCS, CPUH)

Coordinator: Dr. Priyanka, Dr. Anjali Sharma, Dr. Mitika Vyas and Mr. Mohit Atri

Participants: Faculty, farmers and students from Division Botany and Commerce & Management studies

No. of students participated:40+

Itinerary of Workshop: The Directorate of Community Services in collaboration with Division Botany, organized a National Workshop on Demonstration of Dragon Fruit Cultivation: A Pioneer Work at H.P. For Up Scaling of Rural Livelihood. An Agripreneur Ms. Riva Sood graced the workshop. Ms Riva Sood is an Agripreneur of Himachal Pradesh who has started the Dragon fruit cultivation in Himachal Pradesh. Dragon fruit has great market potential and great scope for farmers of H.P. Chief guest explained how she established the dragon fruit farm what hardships she has faced. She encouraged students to use the waste land for dragon fruit cultivation as dragon fruit does not require much efforts for its farming. It can cultivated on soil with acidic pH. Its cultivation does not require much water and it can easily grow. She addressed all the queries and problems of farmers. She discussed all the aspects related to Dragon fruit cultivation practices.

Highlights of Workshop:

- Students were actively involved in the discussion session.
- Farmers from distant places interacted with key note speaker.
- She encouraged the students to start various startups related to dragon fruit cultivation

2ND INTERNATIONAL CONFERENCE

On

**‘EMERGING SCENARIO OF SCIENCE,
TECHNOLOGY AND INNOVATION-2023’**

[ESSTI-2023]

24th -25th February 2023

Organized by

Research Scholars, School of Basic & Applied Sciences

CAREER POINT UNIVERSITY, HAMIRPUR

University Campus: Bhoranj (Tikker- Kharwarian), Hamirpur (H.P.)

PREFACE

As a Co-convenor of this conference, I am glad to share that we have successfully organized an international conference entitled 'Emerging Scenario of Science, Technology and Innovation-2023' [ESSTI-2023] at our university campus during 24th and 25th of February 2023. The conference emphasis upon the innovation capacities in order to strengthen the scientific temperament leading to fruitful interventions for society and nation.

I would like to extend my gratitude towards the administration of Career Point University especially our Vice-Chancellor sir who have always been a positive inspiration in motivating us.

This conference has been successful because of the eminent speakers and participants who have joined us by offline as well as online mode. The great interest and participation were observed from various parts of the globe. Our organizing team worked day and night to make this event successful. This conference report proceedings constitute of the highlights and summary of the two-day international conference.

Thanks and Regards

Aishwarya Sharma

Research Scholar, Department of Bio-sciences

Co-Convenor [ESSTI-2023]

1. Introduction

The international conference entitled ‘Emerging Scenario of Science, Technology and Innovation’ (ESSTI-2023) was organized on 24th and 25th February. The conference emphasis upon the strong technical program with context to various fields of science offering participants various opportunities to meet, interact, share knowledge and innovative ideas. This conference is unique because it is for the very first time when research scholars have organized an international conference in the state. The challenges and opportunities in this evolving world full of technology, it is required to have unique platform for generation of new and beneficial output including researchers, academicians and students. It allows them to showcase their work and help in building confidence in them. The motto the conference is to inculcate the scientific temperament among the people which can be beneficial for society as well as nation.

2. Inaugural Session

2.1 Registration

The registration desk opened at 8:00 am and registrations. Various participants aligned in a queue for their turn. The attendance was marked and conference kit was distributed along with identity cards.

The registered candidates were escorted by the seating committee members and were taken into the hall.

2.2 Receiving of the chief guest

The Honorable Chief Guest Dr. P L Gautam sir were received and welcomed by the organizing committee at around 9:15 am. The bright sun shining in the sky and pretty flowers glowing in the bouquet added flavor to the welcome ceremony and everyone bowed in front of the idol of 'Goddess Saraswati' marking a blessed start.

2.3 Welcome and Lamp lighting ceremony

The stage was all set for the event. Chief guest along with dignitaries and participants entered the hall. Then, Welcome address was given by Aishwarya Sharma, Co-Convenor of Conference. After that the Convenor Nikesh Thakur gave brief about the conference. It was followed by the lamp lighting ceremony and host addressed God almighty by reciting holy Mantra-

'Vakara Tunndda Maha-Kaaya, Surya-Koti Samaprabha,

Nirvighnam Kuru Me Deva Sarvkaaryesu sarvadaa'

Lamp lighting ceremony was followed by the Saraswati Vandana After that Hon'ble vice Chancellor Dr. Sanjeev Kumar Sharma addressed the gathering.

2.4 Felicitation ceremony

The chief guest Dr. PL Gautam and other dignitaries such as Dr. Sanjeev Sharma (Vice Chancellor, CPUH), Dr. H R Sharma (Dean Academics, CPUH), Dr. M R Sharma (Dean engineering), Dr. Sanjay Thakur (Registrar,CPUH) were felicitated by convenor and co-convenor.

2.5 Keynote Speaker

Then Keynote speaker Prof (Dr.) Vijay Kumar Thakur joined from Biorefining and Advanced Materials Research Center, Scotland's Rural College (SURC), United Kingdom. Title of his talk was 'Nanomaterials and polymers: Making materials for the future'. He explained how the nanomaterials have received great attention since past decade because of their features like low density, thermal conductivity and large surface area. He also focused upon the polymer nanocomposites that have caught much attention at global level because of their applications in various fields like defence, biomedical and waste remediation.

2.6 Address by Chief guest

His talk was followed by the address of our Hon' able Chief Guest Dr. P L Gautam sir. His experience and valuable words added spark to the audience and graced the event with positive vibes.

2.7 Vote of Thanks

At last, but not the least, vote of thanks was given by Ms. Pallavi Kumari, Organizing Secretary. It was followed by the National Anthem and announcement for High Tea was made.

3. Technical Session I: Invited Talks

After high tea, next session was started. It included invited talks from various the eminent speakers such as:

3.1 Invited Talk I (Mr. Saurabh Trivedi)

He is founder of IP Samadhan, Partner at Agility Ventures and Member of Asian Patent Attorneys Association (APAA), Indian Group. He gave lecture on 'Legal Policies and IP Rights in Research'. He discussed about various IP rights with context to research in India and Abroad. He also gave emphasis upon the value of Trade marks, Patents, Copyrights, Design acts and Layout designs falling under legal policies. He also mentioned that every new invention requires skills and at the same time the authenticity of knowledge is maintained by the IP rights and legal policies.

3.2 Invited Talk II (Dr. Pankaj Bharmoria)

He is researcher at Institute of Material Science of Barcelona (ICMAB-CSIC), Spain. He threw light upon the ‘Photonics Bioplastic Films for Triplet Sensitized Wideband Photon Harvesting’. For addressing the post-utility of recycling of plastic photonics, he explained about the proof-of concept downstream recycling approach giving out new directions to design recyclable photonics bioplastic materials. With this the first technical session ended and announcement was made for the lunch. At sharp 2 ‘o clock, second technical session was started.

4. Technical Session II: Invited Talks

The second technical session included invited talk by:

4.1 Invited Talk III (Dr. Vinayak Kaushal)

He is assistant professor at department of Civil engineering, The University of Texas at Arlington. He spoke about ‘Environmental impact assessment of Trenchless cured-in-place pipe renewal method for sanitary sewer applications’. He discussed about the Trenchless Cured-in-Place Pipe (CIPP) renewal method that involves liquid thermoset resin saturated material which is inserted into the pipeline by hydrostatic or air inversion. It was concluded that environmental impact assessment of CIPP renewal method is essential with context to the sustainable infrastructural development. It is also beneficial for analyzing the environmental impacts for sanitary sewers with different site conditions.

4.2 Invited Talk IV (Dr. Dinesh Pathak)

He joined online from Department of Physics, The University of the West Indies, St. Augustine, Trinidad and Tobago. His topic was ‘Recent advances in bulk-heterojunction solar cells’. He focused upon the challenges occurring due to the continuous reliance on fossil fuels.

5. Technical Session III

This session included three parts namely technical session III A, III B and IIIC.

5.1 Technical Session III A

It included oral presentations by offline mode and was conducted in Room no. 603. Coordinators for the same was Pallavi Kumari and Rapporteur was Shilpa Thakur.

5.2 Technical Session III B

It included Oral/Poster presentations by online mode and this session was carried out in Room no. 302. Neha Thakur was coordinator for this session whereas Aditi acted as a rapporteur.

5.3 Technical Session III C

It included Oral/Poster presentations by online mode and was carried out in Room no. 202. Coordinators were Tamanna Kumari and Anjali Kumari while rapporteur was Neha.

6. Technical Session IV

This technical session included Poster presentations and was carried out in the Floor 6. Coordinators for the same were Ms. Richa and Jyoti Kumari while Indu Kumari was the rapporteur. These were the concurrent sessions and ended around 5:00 pm in the evening. There was a short break and it was followed by the cultural evening.

7. Cultural Program

Various performances such as Pahari Natti, Bhangra, Retro dance, solo dance, solo song was performed by the students of Career Point University and documentary was also played. The

cultural evening ended around 8 pm and it was followed by a delicious dinner arranged in Block B. With this the first day of the conference ended.

8. Technical Session V: Invited Talks

Welcome and summary of Day 1 was given by Aishwarya Sharma and it was followed by the following invited talks:

8.1 Invited Talk V (Dr. Belle Damodara)

He joined from Council of Scientific and industrial research National Institute of Oceanography (CSIR-NIO), Visakhapatnam, Andhra Pradesh and delivered his talk on the topic ‘Some facets of tarball pollution in India’ He discussed that marine fungi is a diverse group and is known to play critical role in marine environment. Tarball are semi-solid blobs of weathered crude oil originating in the oceans. These are later brought to sea beaches by currents and act as marine pollutants. He discussed that how the microbial consortia can be beneficial in bioremediation of these pollutants.

8.2 Invited Talk VI (Dr. B C Chauhan)

He joined from the department of Physics and astronomical science, Central University of Himachal Pradesh. His title of talk was ‘The signatures of Self-Interacting Dark matter’. He emphasized upon the dark unseen side of the universe. He says that as per findings 95% of universe is dark. However, there are certain discrepancies with context to galaxy density profiles and for fixing such problems, self-interacting dark matter is a proposed solution. He discussed how SIDM computation can be used along with n-body stimulations.

8.3 Invited Talk VII (Dr. Rakesh Kumar)

He joined from the Srinivasa Ramanujan Department of Mathematics, Central University of Himachal Pradesh. His lecture was on the ‘Interdisciplinary Research Areas in Mathematics’. His talk highlighted that how mathematical concepts and tools have become useful in field of science, technology and innovation. He also discussed about the artificial intelligence and mentioned about the machine learning, deep learning emphasizing the revolutionized research outputs with context to the industry and technology.

8.4 Invited Talk VIII (Dr. Sunil Kumar Thakur)

He is Head at Department of Animal sciences at Central University, Himachal Pradesh. His lecture was on the ‘Use of Pesticides and their impact on the environment.’ He explained about the types and classification of the pests. India is standing at third position in pesticidal consumption. These pesticides have adverse effect upon the environment as they enter food chain causing harm to the number of species including aquatic and terrestrial life forms. He also discussed about various concepts like pest resistance, bio-control agents, IPM etc which are useful with context to the Pest management.

9. Technical Session VI

After the lunch break, the next session was started. This session included three parts namely technical session VI A, VI B and VI C.

9.1 Technical Session VI A

It included oral presentations by offline mode and was conducted in Room no. 603. Coordinators for the same was Pallavi Kumari and Rapporteur was Shilpa Thakur.

9.2 Technical Session VI B

It included oral presentations by online mode and was conducted in Room no. 302. Coordinators for the same was Shweta Kaushal and Rapporteur was Shikha.

9.3 Technical Session VI C

It included oral presentations by online mode and was conducted in Room no. 202. Coordinators for the same was Anchal Thakur and Rapporteur was Niharika Sharma.

10. Valedictory Session

The valedictory session started at 3:30 pm. The coordinators for the same were Aishwarya Sharma and Vanshika Sharma. Hon'able chief guest Former Vice-Chancellor Dr. K S Verma was welcomed by flower bouquet by the organizing committee. The guest along with the dignitaries moved into the auditorium hall. Lamp lighting was done by the guest followed by the felicitation ceremony done by the convenor and co-convenor. Conference report was presented by the Convenor Nikesh Thakur. The brief about the Chief guest was read by the Co-convenor. Hon'able chief guest addressed the gathering. It was then followed by the prize distribution ceremony. At last, but not the least, vote of thanks was given by Shweta Kaushal, Joint organizing secretary. It was followed by National Anthem. After National Anthem, High Tea was arranged and with this the second day of the conference came to an end.

12. Conclusion

The international conference proved to be helpful for the participants as all got chance to showcase their work and learn new things from the expert speakers. There were around 250+ registrations and 100+ abstracts which shows the keen interest of the participants. The expert speakers were from around the globe including national and international researchers who shared their expertise. Opportunities for collaborative research are also opened by the conference venue leading to more interventions. The current problems like pollution, pesticidal impact etc were discussed by the expert speakers which makes participants think about the problem-solving skills leading to more innovations. The knowledge sharing and creation of innovative ideas among the eminent and creative minds was the real mission of the conference. Surely, it would have benefited participants and people associated with it.

STATE LEVEL YASHPAL JAYANTI CELEBRATION Career Point University, Hamirpur

On 3rd December 2022, Book and Literary Club of Career Point University Hamirpur in Collaboration with Himachal Kala Sanskriti Bhasha Academy, Himachal Pradesh organized State Level Yashpal Jayanti function and Kavi Sammelan was organized at his native place, Career Point University, TikkarBharaiya.

As the chief guest in the program, The Honorable Pro-Chancellor Prof. (Dr.) P.L. Gautam and Director of Research Institute NERI, Dr. Chet Ram Garg were present as special guests. The Honorable Vice Chancellor of the University, Dr. Sanjeev Sharma, Registrar of the University Dr. Sanjay Thakur, Dean Academic Affairs, Prof. (Dr.) HR Sharma, Dean Engineering and Technology Prof. (Dr.) MR Sharma, Dr. Rajesh Sharma and Dr. Rakesh Sharma, Sardar Patel University Mandi, Dr. Karm Singh (Secretary Himachal Kala SanskritiBahasa Academy), Dr. T.R. Sharma, Adjunct Professor, Career Point University and Dean Student Welfare Dr. Naveen Thakur were also present.

Firstly, Chief guest Prof. (Dr.) PL Gautam inaugurated the program by lighting the lamp and the students of the university performed Saraswati Vandana. Dr M.R. Sharma highlighted the personality of Yashpal on this occasion, who played an important role in the country's freedom struggle, was born on December 3, 1903 in Ferozepur Cantonment.
