

Chancellor's Message

In our efforts to deliver quality & career led education, we put more emphasis on determining one to one contact and also be very much attentive to vital needs of each student. Our faculty team relentlessly monitors progress of every student and guide them accordingly on the way to achieve all success in their life and career ahead.

Pramod Maheshwari [B.Tech, IIT-Delhi]

Pro Chancellor's Message

The development of a nation depends upon the quality of education made available to its people. This is why, one of the main objectives of "Human Resource Development" at university level education is expanding access and improving quality of the education especially in the regions where people do not have easy access to higher education.

Prof. (Dr.) P.L. Gautam
[Former VC CPU, Hamirpur]

Vice Chancellor's Message

We at Career Point University are creating professionals with Heart. It's our effort to make our students the best with the help of Industry linkages and extra curricular activities. Our mission is not to produce just a man fit for job but a person who values humanity, who could give his best to bring out the best.

Dr Sanjeev Kumar Sharma
[Vice Chancellor CPU, Hamirpur]

TEACHING AND LEARNING - Knowledge that Works

The teaching and learning at CPU, encourages independent critical thinking and analysis, assessing the student not only on the basis of academic knowledge but also on the basis of the skills that employers value, such as how to work as part of a team, make presentations and tackle problems with creativity.

We pride ourselves on the quality of the education we provide. All the subjects are taught by the expert faculties as per the latest industry requirements, ensuring that outdated techniques are eliminated from the course content. Practical skills are a vital part of any course, and it is important that the laboratory and project work should integrate well with classroom teaching. As such, not only the laboratory experience but also individual and team project work is given a higher priority during the teaching and learning at CPU.

All the Programs at CPU are designed as per the needs of the industry to ensure acquiring the skills and knowledge necessary in the student's career.

FACULTY - Brightest Mind to Mentor the Best Brain

To ensure high quality of teaching, our leadership team has handpicked teaching staff; majority of them are from premier institutions having distinguished academic achievements to their credit and are actively involved in teaching, research and consultancy.

We also have pool of experts from industry, business, government and research institution to ensure mix of real world experience and academia. The CPU faculty and staff work together to provide an outstanding learning environment for our students.

One-on-One Mentor-ship

To monitor the performance of the student, each student is assigned one faculty member as a mentor. Mentor records the profile of student with regards to academic performance and participation in extra-curricular activities. Mentor help students build a set of curricular & extracurricular experiences that align with their interests and goals. Students can contact their mentor for any academic or non-academic issue during the session for the solution.

RESEARCH INNOVATION & ENTREPRENEURSHIP

Research

The Career Point University revels in having the highest standards of research with eminent research faculty to match the best in the region. Outstanding research works of our students have been rewarded with international and national recognition and awards.

Innovation

Career Point University has implemented an innovation fund policy to provide initial financial support to students who want to develop something innovative and useful for the society or the mankind. Later the option is always open to file a patent of the work done by the scholars. Hybrid Car and Commercial production of Solar Lamp are the initial appreciable steps taken by our students

Entrepreneurship

The University is inculcating such skills during the learning process so that the future leaders come forward and start their own venture as an "Entrepreneur". Instead of job seekers they should be job provider or employers.

Learning at Pioneer Incubator Startup

The Director of Industries, Govt. of Himachal Pradesh has established Incubator Center named 'Pioneer' at University campus under the Scheme- "Chief Minister's Startup / Innovation Projects/ New Industries Scheme" for benefits of students.
