

CAREER POINT UNIVERSITY
HAMIRPUR (H.P.), India-176041

Report on Sustainable Development Goal 4

QUALITY EDUCATION

The University is continuously striving to create trained human force through its various undergraduate degree programmes to enlarge the pool of trained manpower in the state of Himachal Pradesh, India. More than **one thousand** graduate **students** have been admitted in 2022-23 out of whom nearly fifty per cent have gained requisite teaching qualification. The University has also started free courses to the interested persons in the nearby areas in military training to enable them to compete for national tests, shooting range and music to hone their talent. The University has also started imparting free online competitive examination like NEET preparatory classes. To begin with, these classes are opened to 100 students of rural poor who cannot afford such preparatory training.

In addition, the villagers in the nearby areas are also educated and informed about their legal rights through regular legal aid clinics. These practices of reaching out to the community and rural population, especially women and disadvantaged sections are the essential components of the academic activities of the University. The University on a routine basis carries out other activities in the villages through its Directorate of Community Services. For example, the

farmers, in particular the marginal and small farmers are being educated and informed about the new and the latest technologies including High Yielding Variety (HYV) seeds and standard agro-economic practices to boost their agricultural production and livelihoods. These activities have yield rich dividends as is evident from a very high increase, nearly of 35 per cent in their annual income.

On the auspicious occasion of completion of 75 years of Indian independence “**आजादी का अमृत महोत्सव**”, the University has extended its approach from 22 to 75 villages and 75 blocks in 12 districts of Himachal Pradesh in association with Himalayan *Mahila Avum Jan Kalyan Sanstha* (NGO). Various Research and Development, Innovation, entrepreneurship and Community Development activities have been undertaken in these 75 villages with the active involvement of local communities. The Directorate of Community Services, CPUH has also received a Letter of Appreciation for its products made under the aegis of Unnat Bharat Abhiyan that are included in the basket presented to Hon’ble President of India during the Diamond Jubilee Celebration event held at IIT Delhi on September, 2022.

LETTER OF APPRECIATION

To

Participating Institute Coordinator,

As you may be aware that the booklet Unnat Bharat Abhiyan : Transforming Higher Education and Villages for Atmanirbhar Bharat was released by **Shri Dharmendra Pradhanji**, Hon'ble minister of Education in presence of Honourable President of India **Smt. Droupadi Murmu** on **3rd September, 2022** in IIT Delhi during the Diamond Jubilee Celebration event. The first copy of the booklet was presented to the Honourable President of India. The booklet consists of the progress made so far under the scheme and also include Stakeholders information, success stories, collaboration with Government Programs & promotions etc. along with the roadmap for the next decade.

In view of the above mentioned event, it was requested to the Partner Institutes under the scheme to send the products made under aegis of Unnat Bharat Abhiyan so that they may be included in the basket which was presented to Hon'ble President of India, Hon'ble Education Minister, Hon'ble Minister of State of Education, Secretary (HE), AS (TE), Director (IIT D) and other key delegates present in the meeting.

We are happy to inform you that your product was included in the basket presented and the work done by your institute was applauded. The efforts made by your Institute deserves appreciation.

We are thankful to you for sending the products on time and hopeful of your continued support.

Prof. Priyanka Kaushal

National RCI Coordinator

Indian Institute of Technology Delhi

The University has taken an initiative under National Level Yoga Awareness Drive “*Har Ghar Yog*” where in the University has adopted a Panchayat-Kharwar of Tehsil Bhoranj, District Hamirpur (H.P.), India. The faculty members regularly visit all households in the adopted

Panchayat to educate villagers about the basic *Yoga Asanas* to which there has been an overwhelming response. In addition, to celebrates enthusiastically *International Yoga Day* on 21st June every year, the University starts a two-month long training camps on *Yoga and Traditional Medicines* in which the participants in online/offline modes are taught different *Yoga Asanas* and the use of traditional medicines in keeping good health. The participants in these regular training sessions come from the whole state and also from out of the state.

Our University is located in backward rural area, where the literacy level is very low. The University is making all efforts to encourage the parents to send their children to the University for higher education. In each year we are able to attract students from such families, who are sending their children for the first time. As per our record, in academic session 2022-23 out **391 graduate students on roll, 117 come from such families** and are, therefore, first-generation graduate students.
