

We are thrilled to invite you to an inspiring celebration of India's extraordinary journey in space on **National Space Day**, taking place on **August 23, 2024**.

This event will be held in hybrid mode, allowing you to join us in person at the University Auditorium, Academic Block - A, Career Point University, Tikker, Bhoranj, Hamirpur, H.P., or virtually via Google Meet.

Date: August 23, 2024

Time: 10:30 AM onwards

Venue: University Auditorium, Academic Block - A, Career Point University, Hamirpur, H.P.

Virtual Access: meet.google.com/ikr-jkqp-hdj

Registration Link: <https://forms.gle/LZ4xWY1zayqTnnCk8>

Event Highlights: One-Day Seminar

This year's seminar theme is "Touching Lives While Touching the Moon: India's Space Saga", which will be explored through expert and interactive sessions.

Agenda Includes:

- **Lamp Lighting** by our esteemed Chief Guest
- **Expert Talks** by distinguished speakers:
 - **Prof. (Dr.) K L Verma** - Professor of Eminence, Career Point University, Hamirpur, H.P.
 - **Prof. (Dr.) Ajay Kumar Sinha** - Professor and HOD, Sheela Devi Institute of Management and Technology (SDIMT), Faridabad, Haryana
- **Interactive Q&A Sessions**

This is a unique opportunity to delve into the significant impact of India's space missions on our everyday lives, as well as to engage with experts in the field.

We encourage you to **mark your calendars**, register for the event, and share this information with others who may be interested. Let's come together to celebrate the spirit of exploration and innovation that drives us forward!
