DETAILED SUMMARY

The IITM CODE Chapters (Collaboration for Online Digital Education) initiative is a partnership model by IIT Madras (IITM) designed for colleges and universities across India to enhance skills and employability of students. It allows students enrolled in a regular undergraduate (UG) degree program to simultaneously pursue an IIT Madras diploma in Programming or Data Science, without leaving their college/university campus.

KEY HIGHLIGHTS

- ❖ Two Simultaneously degree/diploma : UG degree + IITM Diploma
- ❖ No qualifier exam to get admission in IIT Madras diploma program/courses
- ❖ Online courses taught by IITM faculty; mentoring by trained faculty of CPUH
- ❖ CPUH acts as a local support center for IITM diploma delivery
- ❖ Foundation course exemptions.

BENEFITS FOR STUDENTS

Academic & Skill Advantages:

- ❖ Access to IIT-quality education
- ❖ Modern curriculum in programming, data science, AI, etc.
- ❖ Mentorship from trained faculty

Flexibility & Accessibility:

- ❖ Open to students from any UG year
- ❖ No relocation needed; fully remote diploma
- ❖ Credit transfer available if diploma is not completed

Cost & Time Saving

- ❖ Save ₹3000 (no qualifier exam)
- ❖ Save ₹8000-₹16000 (exemption from some courses)
- ❖ Enhanced placement readiness
