Prof P K Dhumal, Former Chief Minister Himachal Pradesh Mob:- 94180-00004:- Career Point University has emerged as an important center of higher education in Himachal Pradesh. The establishment of the University in a rural and remote area reflects a visionary approach towards addressing regional imbalances in access to quality education. The University situated in a rural area has higher education closer to the people who need it the most, especially the rural youth. Career Point University has played a significant role in reducing the long-standing compulsion for students to migrate outside the State in search of educational opportunities. The availability of diverse academic programs, modern infrastructure and a supportive learning environment within the region has strengthened educational continuity and aspirations among first-generation learners. Such initiatives are essential for promoting educational equity and inclusive growth in hill States like Himachal Pradesh. The University's holistic approach to education is highly appreciable. The University emphasizes values, discipline, skill development, and social responsibility along with academic excellence. The integration of Indian Knowledge Systems, Yoga, Ayurveda and value-based education reflects a balanced vision that combines modern learning with India's rich cultural and traditional heritage. These efforts contribute not only to intellectual development but also to physical, mental, and ethical well-being of students. The University's engagement with society through community outreach, rural development initiatives, and awareness programs further strengthens its role as a socially responsible institution. Activities related to agriculture, health, wellness, women empowerment, and youth awareness demonstrate a clear commitment to regional and social development. Such sustained engagement ensures that the benefits of higher education extend beyond the campus and keep positive impact on surrounding communities. Career Point University has also shown encouraging progress in research, innovation, and entrepreneurship, aligning its academic objectives with national priorities. The focus on skill enhancement, employability, and industry interaction prepares students to meet contemporary challenges and contribute productively to society. It is highly appreciable that Career Point University has been doing commendable job and putting an example of how higher education institutions can

serve as engines of rural upliftment, social transformation, and human resource development. Its contribution towards strengthening the educational landscape of Himachal Pradesh is both meaningful and sustainable. I am confident that the University will continue to grow as a centre of excellence while remaining deeply rooted in the values of inclusivity, service and nation-building. -Sd- Prem Kumar Dhumal

Prof Vinay Kumar Pathak President, AIU Delhi & Vice Chancellor CSJM University Kanpur, UP Mob:- 94141-89254:- It gives me immense pleasure to acknowledge the commendable progress and achievements of Career Point University, Hamirpur, since its establishment in 2012 under the Himachal Pradesh State Legislature. The University has consistently demonstrated a strong commitment to academic excellence, research innovation and community engagements , thereby contributing a significantly to the higher education landscape if Himachal Pradesh and India at large. I am particularly impressed by dedication of the faculty, whose scholarly contributions in reputed journals, patents and text book have brought international recognition, with several being listed among the world's top scientists. The University's emphasis on meritorious admissions, industry collaborations and research grants reflects its vision of the nurturing talent and fostering innovation. The remarkable growth in student enrollment, coupled with the leadership of distinguished academicians and administrators, high lights University's robust academic appeal and its role in shaping future leaders. Career Point University's efforts in advancing knowledge, promoting inclusivity, and serving society are truly commendable. I am confident that the University's performance and contributions will be rightly recognized in the Indian Institutional Ranking Framework (IIRF). I extend my best wishes for continued success and for further strengthening its position as center of excellence. Thanking you -Sd- (Prof Vinay Kumar Pathak)

Prof Mahavir Singh, Vice Chancellor, Himachal Pradesh University Shimla Mob:- 82195-69101:- Career Point University, Hamirpur, Himachal Pradesh has emerged as a beacon of quality education in a rural region, proving that excellence is not confined to metropolitan cities. Established in rural area, the university addresses one of the most critical challenges in Indian higher education—the exclusion of rural and economically weaker students due to high urban living and educational costs. The university offers robust infrastructure, modern academic facilities, and a vibrant learning ecosystem while maintaining affordability. Its emphasis on experiential learning ensures that students gain hands-on knowledge, practical skills, and real-world exposure alongside the oretical understanding. What sets Career Point University apart is its strong engagement with the local community. Through extension programs, community services, and active participation in government initiatives, the

university contributes significantly to rural development. It empowers students to understand societal needs and encourages them to become agents of positive change. -Sd- (Prof Mahavir Singh)

Prof Shahsi Kant Sharma, Former Member & Chairman Himachal Pradesh Private Educational Institution Regulatory Commission , Govt of HP Shimla Mob:- 94183-82396:- "During my tenure as Member and Acting Chairperson of the Himachal Pradesh Private Educational Institutions Regulatory Commission (HPPEREC), I had the opportunity to observe the academic, administrative, and governance practices of Career Point University, Hamirpur. I found that the University has been functioning in a structured, transparent, and regulation-compliant manner, with due adherence to the applicable Acts, Statutes, Ordinances, and Regulations governing private universities in the State, as well as the norms and standards prescribed by the University Grants Commission (UGC) With regard to the implementation of the National Education Policy (NEP) 2020, I observed that the University has adopted a systematic and institutionally embedded approach. The emphasis on multidisciplinary education, flexible curriculum structures, experiential and skill-oriented learning. outcome-based education, student-centric teaching practices, and the integration of Indian Knowledge Systems across disciplines reflects a clear understanding of NEP as a long-term academic reform agenda rather than a mere compliance exercise. These initiatives collectively support holistic student development by integrating academic rigor with practical exposure, ethical values, and contextual relevance. From a regulatory and governance perspective, the academic and administrative functioning of the University is aligned with the provisions of the applicable University Act, Statutes, and Regulations. The decision-making processes, academic planning, and administrative systems reflect a well-defined framework of good governance, accountability, and transparency, consistent with regulatory expectations. The University has also demonstrated institutional discipline and administrative efficiency through the timely organization of Convocation ceremonies, ensuring the conferment of degrees and academic recognition of students strictly in accordance with prescribed norms and schedules. The University has shown a strong commitment towards community engagement and social responsibility through structured outreach and extension activities. Initiatives such as plantation drives, seed distribution programmes, cleanliness drives and other community-based social initiatives indicate that community service is meaningfully integrated into the institutional ethos. In the area of Training and Placements, the University has undertaken focused initiatives to enhance student employability. The emphasis on skill development, industry exposure, and practical training, including the implementation of the "Earn While You Learn" model, provides students with opportunities for hands-on experience and financial support alongside their academic pursuits.

Such initiatives reflect a pragmatic and student-oriented approach towards bridging the gap between education and employment. The University is fostering a culture of innovation and entrepreneurship through structured academic initiatives and institutional support mechanisms. The establishment of the Pioneer Incubator under the Chief Minister Start-up Scheme and the functioning of the Technology Enablement Centre (TEC) provide organized platforms for mentoring, innovation support and entrepreneurial development. These initiatives -Sd- Prof Shashi Kant Sharma

Prof R C Sobti, Padma Shri Awardee INSA Hony. Scientist; Prof Emeritus- Bio technology, Punjab University, Pb; Former Vice Chancellor ,Punjab University; Former Vice Chancellor, BBA University (A Central University) Lucknow; Former Education Advisor to Governor , Bihar; Former General President , Indian Science Congress Association Mob:- 94638-00523:- "I have had the opportunity to closely observe the academic initiatives of Career Point University, particularly its focused efforts towards reviving and institutionalizing Indian Knowledge Systems (IKS). The establishment of a dedicated Division of Indian Knowledge System reflects a deep academic commitment to preserving and transmitting India's rich intellectual, cultural, and philosophical traditions through structured higher education. What is particularly noteworthy is that values, sanskaras, ethics, and moral frameworks are meaningfully integrated into academic and co-curricular activities, rather than being treated as symbolic or ceremonial components. The University has developed well- conceptualized academic programs and activities related to Yoga, Ayurveda, traditional medicine, and indigenous knowledge systems, ensuring scholarly rigor along with cultural authenticity. Students exposed to these initiatives gain not only academic knowledge but also cultural grounding and ethical orientation, which are increasingly essential in contemporary education. The integration of Indian Knowledge Systems across all disciplines adds academic depth and contextual relevance, enabling learners to connect the modern scientific knowledge with traditional wisdom. I observed that these initiatives are aligned with the vision of the National Education Policy 2020, which emphasizes the inclusion of Indian Knowledge Systems as a core component of holistic education. The University's approach reflects seriousness, planning, and long-term academic vision. Overall, Career Point University has taken a commendable step in strengthening value- based education. Such academic efforts contribute meaningfully to preserving India's heritage through formal academia while preparing students to engage responsibly with society and the nation." -Sd- (Dr R C Sobti)

Dr D S Rana, Padma Shri Awardee, Chairman, Sir Ganga Ram Trust Society Sir Ganga Ram Hospital, New Delhi
Mob:- 98110-33984:- Career Point University has consistently demonstrated a deep and sustained commitment to community development through well-structured, purposeful, and long-term outreach initiatives. The University's approach to social engagement is neither episodic nor symbolic; rather, it reflects a conscious institutional philosophy that places societal well-being at the core of its academic mandate. The adoption of 100 villages stands as a clear indicator of this long-term vision, ensuring continuity, accountability, and measurable impact in rural development initiatives. The University meaningfully engages with diverse sections of society, including farmers, youth, women, and marginalized communities, by extending academic expertise and institutional resources far beyond campus boundaries. Faculty members, students, and extension units work collectively to identify real community needs and design interventions that are practical, relevant, and sustainable. This integrated approach enables the University to function as a living knowledge partner for surrounding communities rather than a detached academic entity. A notable strength of the University's outreach lies in its consistent engagement with the farming community. Through seed distribution programs to farmers, awareness campaigns on modern agricultural practices, and guidance on crop diversification, the University supports enhanced productivity and income generation. These initiatives are reinforced through regular field visits and demonstrations, ensuring that knowledge transfer is both effective and accessible. Environmental sustainability is another key pillar of the University's community engagement framework. Large-scale plantation drives are organized regularly in adopted villages, educational institutions, and public spaces, fostering environmental consciousness and collective responsibility. These drives are not limited to tree planting alone but are complemented by awareness programs on biodiversity conservation, climate resilience, and sustainable resource use. Collaboration with local stakeholders—including Panchayats, self-help groups, schools, and community leaders—forms the backbone of the University's outreach model. Such partnerships strengthen trust, ensure community participation, and enhance the sustainability of interventions. The continuity of engagement across years further reinforces the University's credibility as a dependable social partner. Overall, Career Point University's community engagement efforts exemplify a balanced integration of academic knowledge, social empathy, and institutional responsibility. Its initiatives promote inclusive development, environmental stewardship, and social awareness while empowering communities to become active participants in their own progress. The University's outreach activities reflect not only compliance with social responsibility norms but a genuine commitment to nation-building through education-driven community transformation. -Sd-
Dr. D. S. Rana

Prof T R Sharma, National Professor- BP Paul Chair & Former Dy. Director General ICAR, GoI Mob:- 98183-86057:- It is my pleasure to write this testimonial in favour of Career Point University, Hamirpur HP, which is playing a significant and crucial role in making higher education accessible to the rural and underprivileged students of the region. At a time when urban institutions are becoming increasingly expensive, this university offers a sustainable and inclusive alternative without compromising on quality of the education and training. Despite being located in a rural area, the university boasts excellent infrastructure, a supportive learning environment, and strong academic systems. The major focus of the university on experiential learning equips students with practical exposure, preparing them effectively for professional and societal roles. The university's commitment to community service, extension and outreach activities is highly commendable. By supporting government schemes and engaging directly with rural communities, Career Point University contributes meaningfully to the regional development. Its achievements in teaching, innovation, research, and academic growth are reflected in the success of its students, who are contributing at the national and international levels. Career Point University stands as a forward-looking institution dedicated to the development of highly skilled human resource with special emphasis on education, empowerment, and social progress. -Sd- (T R Sharma)

Prof K R Dhiman, Former Vice Chancellor, Dr Y S Parmar University of Horticulture & Forestry, Solan , Himachal Pradesh Mob:- 94182-03800:- During my association with the Career Point University, Hamirpur, I have observed that the university has been functioning as per norms and regulations of the University Grant commission(UGC) and has maintained the academic standards. The university's NAAC accreditation, ARIIA ranking and membership of the Association of Indian Universities(AIU) New Delhi clearly demonstrate its commitment to the quality assurance and alignment with the national benchmarks. Recognition such as placement in the Promising Band' under ARIIA and the Green Champion Award by the Ministry of Education further indicates the seriousness with which the institution approaches quality enhancement and sustainability. I found the academic governance system to be well-structured, transparent and participatory. The University has made visible efforts to implement the National Education Policy (NEP) 2020 through outcome-based education, student-centric practices, experiential learning, and integration of Indian Knowledge System. Continuous review of curriculum, feedback and internal quality processes contribute to the academic rigor and relevance. The emphasis on research, innovation and extension activities through dedicated centres, incubators, and collaborations with national research and government organizations is noteworthy. At the same time the University's engagement

with community development reflects its sense of social responsibility. Overall Career Point University, Hamirpur demonstrates a mature and responsible approach to the governance quality assurance and institutional growth. Its progress has been consistent and sustainable, and the University is well positioned to contribute meaningfully to the higher education ecosystem in the region. Sd/ (k . R. Dhiman)

Dr Alok Kumar Mishra, Joint Secretary , AIU Delhi Mob:- 98687-48575:- To Whom It May Concern I visited Career Point University, Hamirpur, on the occasion of its Convocation held on 03 January 2026. During my visit. I observed that the Career Point University focus on quality teaching, research, innovation, and community service. The University has demonstrated steady growth and a clear academic vision aligned with the objectives of the National Education Policy (NEP) 2020 The University follows a student-centric and outcome-based education approach. Its curriculum and teaching practices emphasize skill development, practical learning, and holistic student development. Flexible academic structures and experiential learning opportunities enable students to develop critical thinking and problem-solving skills within an inclusive academic environment The University actively promotes research, innovation, and industry collaboration, encouraging faculty members and students to engage in applied research and entrepreneurial initiatives. Along with academic excellence, it remains committed to community engagement and regional development. Overall, Career Point University, Hamirpur effectively balances academic quality with social responsibility and contributes meaningfully to national higher education goals -Sd- Dr . Alok Kumar Mishra

Prof Kaushal Kumar Sharma Former Dean, School of Social Sciences, JNU Delhi Mob:- 98100-02953:- To Whom it May Concern The Carver Point University has sustained engagement with society and at the grass roots reflects a strong and genuine commitment to inclusive growth, social equity, and community empowerment. Rather than limiting its role to academic instruction, the University has consciously extended its institutional resources and expertise to support women as key agents of social and economic transformation. Through structured capacity-building initiatives, the University actively supports women in skill development, livelihood enhancement, and self-reliance. These initiatives are designed to address local socio-economic contexts and practical needs, enabling women to acquire skills that contribute directly to household income, economic independence, and community resilience. The emphasis on capacity building ensures that empowerment is not symbolic but is based on outcomes. Along with regular teaching University has strong educational outreach and awareness programs which form a crucial component of its engagement with the society. These outreach programs focus on social awareness, health, nutrition, education, financial literacy, and legal rights, contributing significantly to confidence-building and informed decision-making. By creating safe and inclusive platforms for learning and interaction, the University enables the society to articulate its aspirations and actively participate in community development processes. The University's collaborative approach strengthens the effectiveness of these initiatives. Engagement with women groups is undertaken in coordination with local institutions, self-help groups, and community stakeholders, ensuring relevance, trust, and continuity. This collaborative framework aligns well with regional and national development objectives, particularly those related to women-led development, inclusive growth, and social empowerment. A notable strength of the University's efforts is the consistency and seriousness with which women-centric initiatives are pursued. Activities are not treated as isolated outreach events but as part of a sustained engagement strategy aimed at long-term social impact. Faculty members, students, and outreach units actively participate in these programs, reinforcing experiential learning while fostering empathy, social responsibility, and civic engagement. Overall, the University demonstrates a holistic understanding of empowerment one that integrates skill development, awareness, confidence-building, and community participation. The impact of these initiatives extends well beyond academic boundaries, contributing meaningfully to social transformation and inclusive community development. The University emerges not only as a centre of learning but also as a responsible social institution committed to strengthening the role of women in sustainable development and nation-building -Sd- Dr Kaushal Kumar Sharma

Prof Anupam Singh Public Administration , HPU Shimla & Former Pro Vice Chancellor , SPU Mandi , Himachal Pradesh Mob:-8291037009 The establishment of Career Point University in a rural and backward area, represents a significant milestone in expanding access to quality higher education in Himachal Pradesh. The location of the University holds profound historical and inspirational value, as it is the native village of Padma Bhushan Shri Yash Pal Ji, a revolutionary hero of India's Freedom Struggle, a close associate of Sardar Bhagat Singh, Sukhdev, and Rajguru and an acclaimed author who made lasting contributions to the nation. By establishing a quality higher education institution in a rural and backward area, the University has directly addressed long-standing regional disparities in educational access. Its presence has substantially reduced the need for students to migrate outside Himachal Pradesh for academic opportunities, particularly for professional and multidisciplinary education. Rural and under privileged youth now have access to higher education within their social and economic reach, contributing meaningfully to regional educational equity. Families that once viewed higher education as distant or unattainable now perceive it as an achievable and continuous pathway, particularly for first-generation learners. Beyond academics, the University's presence has generated visible socio-economic development in the region. Employment opportunities, skill enhancement initiatives, and community engagement activities have contributed to local capacity building and social awareness. Regular interaction between the University and surrounding communities has facilitated knowledge exchange and strengthened confidence in education as a driver of long-term development. The University's engagement in outreach and extension activities further reinforces its developmental role. These initiatives complement academic programs and ensure that the benefits of institutional growth extend beyond enrolled students to the wider community. The integration of historical legacy, educational access, and social responsibility positions the University as a socially responsive institution rooted in its regional context. The long-term impact of Career Point University is clearly visible in rising educational aspirations, improved awareness, and continuity in higher education pursuits among rural youth. -Sd- Prof (Dr) Anupam Singh

Sh Nek Ram Sharma, Padma Shri Awardee (Millets Man of Himachal Pradesh), Karsog, Dist Mandi, Himachal Pradesh Mob:- 98170-19281 करियर पॉइंट विश्वविद्यालय की सामुदायिक सेवाएँ समाज के प्रति उसकी गहरी प्रतिबद्धता को दर्शाती हैं। विश्वविद्यालय ने ग्रामीण क्षेत्रों में शिक्षा, जागरूकता और सेवा को एकीकृत कर यह प्रमाणित किया है कि उच्च शिक्षा संस्थान सामाजिक परिवर्तन के प्रभावी माध्यम बन सकते हैं। इसकी पहले योजनाबद्ध निरंतर और स्थानीय आवश्यकताओं के अनुरूप रही हैं। ग्राम स्तर पर किए गए विकासात्मक कार्यों में स्वास्थ्य जागरूकता पर्यावरण संरक्षण तथा विरोधी अभियान कृषि सहयोग एवं सामाजिक चेतना कार्यक्रम विशेष रूप से उल्लेखनीय हैं। इन गतिविधियों ने ग्रामीण समुदाय में जागरूकता बढ़ाने के साथ-साथ आत्मनिर्भरता

और सहयोग की भावना को भी प्रोत्साहित किया है। विश्वविद्यालय द्वारा अपनाया गया। सहभागितापूर्ण दृष्टिकोण स्थानीय जनता के विश्वास को सुदृढ़ करता है। विश्वविद्यालय ने सामुदायिक सेवाओं को छात्रों की शिक्षा से जोड़ कर उन्हें सामाजिक दायित्वबोध न तरिचित कराया है। विद्यार्थियों की सहभागिता से न केवल समाज को लाभ हुआ है। बल्कि करत्रों के व्यक्तित्व विकस नेतृत्व क्षमता और मानवीय मूल्यों में भी वृद्धि हुई है। यह स्पष्ट है कि करियर पॉइंट विश्वविद्यालय की सामुदायिक सेवाएं अल्पकालिक गतिविधियों नहीं बल्कि दीर्घकालिक सामाजिक प्रतिबद्धता का परिणाम हैं। ऐसे प्रयास ग्रामीण विकास, सामाजिक संतुलन और समावेशी प्रगति की दिशा में महत्वपूर्ण योगदान देते हैं। विश्वकर्षण द्यालय का यह कार्य निस्संदेह प्रशंसनीय और प्रेरणादायक है। -Sd- Nek Ram Sharma

Sh Hariman Sharma, Padma Shri Awardee (Apple Man of India), Ghumarwin, Dist Bilaspur, Himachal Pradesh Mob:- 98172-84251 करियर पॉइंट विश्वविद्यालय में सामुदायिक सेवाओं के क्षेत्र में जिस संवेदनशीलता और निरंतरता के साथ कार्य किया है, वह उच्च शिक्षा की सामाजिक भूमिका का सशक्त उदाहरण प्रस्तुत करता है। ग्रामीण क्षेत्र में स्थित होने के कारण विश्वविद्यालय ने स्थानीय समाज की आवश्यकताओं को नजदीक से समझा और उसी के अनुरूप अपने सेवा कार्यक्रमों को विकसित किया है। विश्वविद्यालय द्वारा कृषि, पर्यावरण स्वास्थ्य सामाजिक जागरूकता और ग्रामीण विकास से जुड़े कार्यक्रमों का नियमित आयोजन किया जाता रहा है। वृक्षारोपण बीज वितरण, किसानों के लिए मार्गदर्शन, नशा मुक्ति एवं स्वच्छता अभियानों ने ग्रामीण जीवन में सकारात्मक प्रभाव डाला है। इन पहलों से यह स्पष्ट होता है कि विश्वविद्यालय समाज के साथ सहयोगात्मक संबंध बनाकर कार्य कर रहा है। छात्रों और शिक्षकों की सक्रिय भागीदारी से सेवा कार्यों को शैक्षणिक गतिविधियों से जोड़ा गया है, जिससे शिक्षा का व्यावहारिक और सामाजिक उपयोग सभव हुआ है। इससे विद्यार्थियों में सामाजिक उत्तरदायित्व, नेतृत्व और सेवा की भावना का विकास होता है, जो राष्ट्र निर्माण के लिए अत्यंत आवश्यक है। समग्र रूप से, करियर पॉइंट विश्वविद्यालय की सामुदायिक सेवाएं ग्रामीण सशक्तिकरण और सामाजिक परिवर्तन की दिशा में एक प्रभावी और अनुकरणीय मॉडल प्रस्तुत करती हैं। यह सस्थान शिक्षा को समाज सेवा का माध्यम बनाकर एक सकारात्मक और स्थायी प्रभाव उत्पन्न कर रहा है। -Sd- Hariman Sharma

Prof Sanjeet Singh, Professor & Head, Department of Economics Dean School of Social Sciences Center University of Himachal Pradesh Mob:- 94183-00900, 98573-00053 Career Point University, Hamirpur (Himachal Pradesh), has successfully demonstrated that rural-based institutions can achieve academic excellence comparable to leading urban universities. Situated in Mouza Mahita Panchayat, the University effectively addresses critical challenges of affordability and access in higher education, thereby expanding educational opportunities for students from diverse backgrounds The University maintains a commendable academic standard by offering a well-structured curriculum integrated with practical industry-oriented learning. Strong emphasis is placed on conceptual clarity, critical thinking, and skill development, ensuring that students are well prepared for higher studies as well as professional careers. The faculty members are highly qualified, approachable, and deeply committed to mentoring students through continuous assessment, project-based

learning and academic guidance beyond the classroom. Career Point University is supported by well-equipped infrastructure and thoughtfully designed academic programs, with a strong focus on experiential and hands-on learning. Students are actively encouraged to participate in research, Innovation and practical activities that enhance employability, creativity, and analytical abilities. The University's active involvement in community service and government-supported initiatives reflects its commitment to social responsibility and inclusive development. By effectively integrating education with community engagement, the institution nurtures socially conscious and responsible graduates. Overall, Career Point University, Hamirpur, has demonstrated consistent performance in academics, research, and extension activities. Its alumni are serving with distinction across various sectors at national and international levels, making the University a valuable contributor to inclusive, sustainable, and quality higher education -Sd- Prof Sanjeet Singh

Prof Sanjay K Bahl Vice Chancellor Indus University Una, HP Mob:-9318797123 Congratulations to Career Point University, Hamirpur on Its Remarkable Academic Progress Career Point University, Hamirpur (CPUH), established in 2012 by the Government of Himachal Pradesh under the Career Point University Act, has steadily emerged as a distinguished centre of higher education. Over the past decade, the University has built a strong academic, research, and governance foundation, earning recognition as a UGC-approved and AIU-member institution with professional accreditations. The University's NAAC accreditation and its recognition under national frameworks like ARIIA and NIRF reflect its unwavering commitment to quality, innovation, and institutional excellence. CPUH's academic philosophy aligns closely with the National Education Policy (NEP) 2020, with a strong emphasis on outcome-based education, learner-centric practices, interdisciplinary programs, and ICT-enabled teaching and assessment. Equally commendable is CPUH's focus on research, innovation, and collaboration. Through its Directorate of Research & Development, Ph.D. programs, industry linkages, and startup incubation initiatives, the University promotes knowledge creation and real-world problem solving. Its efforts in holistic student development-through leadership activities, placements, cultural engagement, and community service-prepare learners not only for careers, but also for responsible citizenship Situated in the Himalayan region, Career Point University also stands out for its commitment to sustainability, rural upliftment, and social responsibility. Through initiatives such as health and education outreach, and scholarship support, CPUH actively contributes to inclusive growth and national development.Career Point University, Hamirpur today stands as a forward-looking institution that blends academic quality with innovation, ethics, and social

impact. Its journey is a model of how higher education can shape skilled professionals and visionary leaders for the future. With warm congratulations and best wishes, -Sd- Prof (Dr) Sanjay Kumar Bahl

Dr Pawan Kumar Scientist – F ICFRE- Himalayan Forest Research Institute , Shimla Himachal Pradesh (Ministry of Environment, Forest & Climate Change) Mob:- 94180-55916 To whom it may Concern Career Point University, Hamirpur (HP), is playing a transformative role in rural higher education. By offering quality infrastructure and academic excellence in a rural setting, the University counters the challenges posed by costly urban institutions. Its experiential learning approach, focus on innovation, and strong research culture prepare students for real-world challenges. The University's community engagement and support for Government schemes further enhance its societal impact. Students graduating from Career Point University are contributing effectively at national and international levels, reflecting the institution's commitment to holistic education. -Sd- Dr Pawan Kumar

Prof M S Chauhan Former Chairman, Dept. of Chemistry, Himachal Pradesh University Shimla Mob:- 9418055803 I am writing to express my deep appreciation for your institution's strong commitment in providing integrated academic programmes, especially research and development and innovation to its students possessing different socio-economic-cultural attributes. This has a high likelihood to imbue young women and men with knowledge and skills, strength and resilience to cope with future challenges, and build confidence essential for more purposeful life. Such educational content would also help students to take legitimate pride in concretise the learning process with real life situations. In its sustained intensive efforts, this university is seen providing expanded educational opportunities to its students. In this process, innovation and entrepreneurship, the crucial inputs for human resource development have been given a place of special importance. It needs to be emphasized that existing pioneer incubator established by the university under CM-start-up scheme and innovation hubs and technology enabling centre established with the support of DST Govt. of India are the most appropriate institutional arrangement from the standpoint of social relevance. This also reflects long-term vision of the university. There is no gainsaying the fact that the availability of structured incubation facilities, start up funding support and industry linkages does provide an enabling eco-system for young innovators and entrepreneurs. However, also, faculty involvement and inter-disciplinary collaboration further brings strength to

innovation outcomes. I believe that such innovation-driven education will play its role effectively in the process of offering opportunities to the students unprecedentedly beyond doubt. -Sd- M S Chauhan

Dr Sanjeev Verma , Scientist TBRL, - DRDO Chandigarh Mob:- 9501711099 Career Point University, Hamirpur, stands out as a socially responsive institution committed to educational equity. Located in a rural area, it offers quality education and Research at affordable costs, enabling rural and underprivileged students to access higher education within their vicinity. The university aims to foster a vibrant ecosystem for education and research, enhancing productivity and driving innovation. Students and researchers appreciate the mentorship from faculty, which fosters academic growth and professional development. The University has developed excellent infrastructure and emphasizes experiential learning, innovation, and research. Career Point University (CPU) has established multiple MoUs with national and international institutes to enhance research, industry exposure, and academic growth. Its students benefit from practical exposure and community-oriented programs. The institution's involvement in Government schemes and rural development initiatives demonstrates its strong sense of social responsibility. Career Point University has achieved notable success in academics, research, and extension, with alumni performing well nationally and internationally. -Sd- Sanjeev Verma

Prof Kamlesh Dutta Dept of Computer Science & Engineering NIT Hamirpur Mob:- 9459210951 I had the opportunity to closely observe that the Career Point University, Hamirpur demonstrates an unwavering commitment to societal advancement by positioning higher education as a catalyst for inclusive and sustainable development. Through its Directorate of Community Services, the University has adopted 100 villages, thereby making direct and measurable contributions to rural development, agricultural innovation, and livelihood enhancement across Himachal Pradesh. The tangible outcomes of these interventions are noteworthy. The introduction of scientific farming practices has led to significant improvements in crop yield and farmers' income, achieving an impressive input-output ratio. These results clearly illustrate how academic knowledge and research expertise can be translated into meaningful grassroots empowerment and economic upliftment. The University's strategic collaborations with premier national agencies such as ICAR-Delhi, ICAR-DRMR Rajasthan, IGFRJ-Jhansi, and the Unnat Bharat Abhiyan (Government of India) further strengthen its rural engagement initiatives. The dissemination of modern agricultural technologies and best practices to farming communities reflects a well-structured outreach framework. The presentation of products developed by village beneficiaries to the Hon'ble President of India and the Hon'ble Minister of Education during IIT Delhi's Diamond Jubilee

celebrations underscores the national recognition and significance of these initiatives. Equally commendable is the University's outreach to over 35,000 women across 75 development blocks of Himachal Pradesh, promoting women-led development, entrepreneurship, and economic self-reliance. The institution also organizes approximately 27 structured outreach programs annually, reinforcing awareness, social inclusion, and sustainable community growth. In the domain of wellness and traditional knowledge systems, the University's contribution is highly appreciable. Its Yoga and wellness initiatives, conducted in collaboration with the World Yoga Federation, Ministry of Ayush, CCRYN, and the Morarji Desai National Institute of Yoga reached 7.57 lakh beneficiaries in 2024 and an extraordinary 2.11 crore beneficiaries in 2025 reflecting an expansive and impactful public health outreach. Career Point University truly embodies the spirit of a regional university-deeply rooted in local needs while simultaneously contributing to national development priorities. Its integrated approach to education, innovation, rural development, and community service merits recognition and appreciation at the highest levels. -Sd- Dr Kamlesh Dutta

Prof (Dr) Suneel Kumar Professor, Department of Commerce Shaheed Bhagat Singh College (University of Delhi)
Mob:- 9990842167 Career Point University represents a progressive and forward-looking model of higher education where research, innovation, and societal relevance are seamlessly integrated. The University has developed a credible research ecosystem, currently supporting around 200 Ph.D. scholars engaged in multidisciplinary research aligned with national priorities. Its collaborative research framework with premier organizations such as DRDO, CSIR-IHBT, ICAR, HFRI, SAIF-Panjab University, and others reflects academic maturity. The execution of approximately 15 externally funded research projects supported by agencies like DST-Gol, NABARD, ICAR-Gol, HIMCOSTE, and Unnat Bharat Abhiyan demonstrates the institution's growing research footprint. I am particularly impressed by the University's leadership in innovation. The establishment of a Technology Enabling Centre (TEC) supported by the Department of Science & Technology makes it the first such centre in Himachal Pradesh and the third in the North Zone. Additionally, the MSME-approved Business Incubator and the Pioneer Incubator under Chief Minister's Startup Scheme have collectively nurtured 43 startups, including 16 successful ventures, translating academic ideas into market-ready solutions. The "Vigyan Darshan" initiative deserves special mention. Inspired by the Hon'ble Prime Minister's vision, it promotes direct interaction between scientists and school students. Hosting the Indian Youth Science Congress, inaugurated by the then Vice President of India Shri Venkaiah Naidu, reflects the national recognition earned by the University. By aligning its academic and research activities with NEP 2020, experiential learning, and Indian Knowledge

Systems, Career Point University has ensured that innovation remains ethically grounded and socially relevant. It is institutions like these that will play a pivotal role in strengthening India's research capacity and innovation-driven economy in the years to come. -Sd- Prof (Dr) Suneel Kumar

Smt Kamlesh Kumari Former Member of Legislative Assembly , Bhoranj, HP Mob:- 9418832014 It gives me a deep sense of satisfaction to note the consistent progress and constructive role played by Career Point University in strengthening the higher education framework of Himachal Pradesh. Over the years, the University has emerged as a significant educational institution in the State. Its establishment in a rural and remote region reflects a farsighted decision aimed at correcting long-standing regional disparities in access to quality higher education. By bringing a comprehensive University to a rural area, higher education has been made accessible to sections of society that were earlier compelled to look beyond the State for academic opportunities. Career Point University, Hamirpur has contributed meaningfully to reducing the migration of students to other States for higher studies. The availability of a wide range of academic programs, adequate infrastructure, and a conducive learning environment within the region has encouraged students to pursue higher education closer to home. This has been particularly beneficial for rural youth and families for whom migration often posed economic and social challenges. Such initiatives play an important role in promoting educational inclusion and balanced regional development in a hill State like Himachal Pradesh. The University's approach to education goes beyond academics. Equal emphasis has been placed on discipline, value-based learning, skill development, and social responsibility. The inclusion of Indian Knowledge Systems, Yoga, Ayurveda, and ethical education reflects a thoughtful blend of contemporary education with India's traditional wisdom. These efforts contribute to the overall development of students, enabling them to grow intellectually, physically, and morally. Equally commendable is the University's active involvement in community development and outreach activities. Initiatives related to agriculture, health awareness, wellness, women empowerment, and youth engagement demonstrate a genuine concern for regional and social development. The sustained interaction between the University and surrounding communities strengthens public trust in education as a tool for long-term progress. The University has also made encouraging strides in the areas of research, innovation and entrepreneurship. Its focus on skill enhancement, employability, and industry-oriented training aligns well with national development priorities and prepares students to face contemporary professional challenges. Overall, Career Point University stands as a positive example of how higher education institutions can contribute to rural upliftment, social transformation and human resource development. Its role in strengthening the educational landscape of

Himachal Pradesh is both impactful and sustainable. I am confident that the University will continue to grow while remaining committed to inclusivity, public service, and nation-building. -Sd- Kamlesh Kumari

Prof (Dr) T R Sharma Registrar Central Agricultural University , Imphal, Manipur Mob:- 9418057601 TO WHOM IT MAY CONCERN Career Point University Hamirpur represents a progressive and forward looking model of higher education where research, innovation, and societal relevance are meaningfully integrated. The University has developed a credible and vibrant research ecosystem, currently supporting nearly 200 PhD scholars engaged in multidisciplinary research aligned with national priorities and regional needs. The commitment of the University to innovation is particularly noteworthy. The establishment of Technology Enabling Centre supported by the Department of Science and Technology, the first of its kind Himachal Pradesh and the third in the North Zone, reflects visionary leadership. In addition, the MSME approved Business Incubator and the Pioneer Incubator under the Chief Minister Startup Scheme have nurtured 43 startups, including 16 successful ventures, effectively transforming academic ideas into market ready solutions and strengthening the entrepreneurial culture on campus. The University has also demonstrated sustained engagement with the community, especially in the areas of Ayurveda and Yoga, reflecting its commitment to holistic well being and social responsibility. Through health awareness programmes, free medical and yoga camps, initiatives for prevention of lifestyle disorders, and outreach activities in adopted villages, the University has addressed important community health needs. The integration of Ayurveda and Yoga into academic programmes, practical training, and community interventions has advanced preventive healthcare while reinforcing the relevance of Indian Knowledge Systems in contemporary society. Its collaborative research framework with premier institutions such as DRDO, CSIR IHB, ICAR, IFRL, and SAIF Panjab University demonstrates academic maturity and strong institutional partnerships. The successful execution of about 15 externally funded research projects supported by agencies including OST Government of India, NABARD, ICAR Government of India, HIMCOSTE, and Unnat Bharat Abhiyan reflects the University's expanding research capacity and effective project implementation. By aligning its academic, research, innovation, and community initiatives with the objectives of NEP 2020, experiential learning, and Indian Knowledge Systems, Career Point University has ensured that its development remains inclusive, ethically grounded and socially relevant. Institutions such as Career Point University are well positioned to contribute significantly to strengthening India's research capacity while promoting societal well being and an innovation driven economy in the years ahead. I extend my best wishes to Career Point University, Hamirpur for continued success and excellence in all its future growth endeavors -Sd- (Prof T R Sharma)

Dr Surinder Kumar Sharma Professor- Education, HPU Shimla; Member, NCTE & Former Director, Agro Economic Research Center, HPU- Shimla Mob:- 7018189682 I had the opportunity to observe the academic environment and institutional initiatives of Career Point University, Hamirpur, from an educational and student-development perspective. The University's focused efforts toward reviving and institutionalizing Indian Knowledge Systems (IKS) reflect a thoughtful and forward-looking approach to education that extends well beyond conventional classroom instruction. The establishment of a dedicated Division of Indian Knowledge Systems demonstrates a clear institutional commitment to preserving and promoting India's rich cultural and intellectual heritage within the contemporary framework of higher education. Particularly commendable is the systematic integration of values, sanskaras, ethics, and discipline into both academic and co-curricular domains. These elements are not treated as symbolic additions but are visibly reflected in student conduct, institutional culture, and campus ethos. Initiatives related to Yoga, Ayurveda, and traditional knowledge systems provide students with holistic exposure, contributing to physical well-being, mental resilience, and ethical awareness alongside academic learning. From a broader educational perspective, such value-based initiatives hold significant relevance. Students graduating from such an ecosystem demonstrate cultural grounding, social sensitivity, and maturity—qualities that are increasingly vital in today's educational and professional landscapes. The University's active engagement in community service further reinforces these values. Through structured outreach programs, awareness campaigns, and meaningful engagement with rural communities, students are encouraged to apply their knowledge for societal benefit, thereby nurturing empathy, leadership, and civic responsibility. Equally noteworthy are the University's structured efforts in training and placements. Well-defined career guidance mechanisms, skill development initiatives, and industry-aligned training programs prepare students for professional pathways with clarity and confidence. Exposure to internships, aptitude development sessions, and professional skill enhancement ensures readiness to meet evolving workplace expectations. From an academic observer's standpoint, this balanced integration of values, competencies, and employability constitutes a significant institutional strength. Overall, Career Point University, Hamirpur, presents a comprehensive and balanced educational model that harmonizes academic rigor, ethical grounding, social responsibility, and career preparedness. Such an approach not only enhances higher education readiness but also contributes meaningfully to the development of responsible, capable, and socially conscious individuals. - Sd- (Dr Surinder Kumar Sharma)

Dr Sharawan Kumar MID, Shiv Shakti Convent School Kasaroo Ghumarwin Mob: - 9418464008 The establishment of Career Point University in a rural setting represents a transformative step toward democratizing higher education in Himachal Pradesh. Situated in the native village of Padma Bhushan Shri Yash Pal Ji a distinguished freedom fighter, close associate of Sardar Bhagat Singh, Sukhdev, and Rajguru, and a respected author the University stands on land enriched with historical and patriotic significance. The coexistence of a contemporary center of higher learning within such a legacy-driven environment reflects a meaningful continuation of the nation's values through education. By bringing quality higher education to a rural region, the University has substantially narrowed the gap in access between urban and rural populations. It has minimized the necessity for students to relocate outside the state for academic and professional studies, particularly in multidisciplinary and career-oriented programs. Rural and economically disadvantaged students now find viable educational opportunities within their reach, promoting inclusivity and social mobility. For many families, especially those with first-generation learners, higher education has shifted from being an aspirational dream to an achievable reality. The University's role extends well beyond classroom instruction. Through skill development programs, community-oriented initiatives, and structured engagement activities, it has contributed to strengthening local capacities and fostering social awareness. Regular interaction with surrounding communities has created avenues for shared learning and mutual growth, reinforcing education as a powerful instrument of sustainable development. Furthermore, its commitment to outreach and extension services demonstrates a broader developmental vision. These initiatives ensure that institutional progress benefits not only enrolled students but also the wider regional community. By harmonizing historical heritage, accessible education, and social commitment, Career Point University has emerged as a responsible and regionally anchored institution. Its enduring impact is evident in heightened educational aspirations, greater awareness, and improved participation of rural youth in higher education. -Sd- . Dr Sharawan Kumar

Advocate Tejasvi Sharma Additional Advocate General High Court, Himachal Pradesh Mob:-8894040655 I had the privilege of observing the academic environment and institutional initiatives of Career Point University, Hamirpur, and I consider it a matter of great satisfaction to place on record my sincere appreciation for the University's steadfast commitment to maintaining high standards of quality, discipline, and academic excellence in higher education. The University has developed a well-structured and balanced academic framework that effectively integrates professional competence, research orientation, value-based education, and meaningful community engagement. Its emphasis on holistic development ensures that students emerge not only as academically proficient individuals but also as socially responsible, ethically grounded, and enlightened citizens. The institution's continuous focus on innovation, skill development, and societal contribution reflects a progressive and forward-looking approach in harmony with the evolving demands of contemporary education. It is particularly commendable that the strength of the University's academic foundation is clearly reflected in the accomplishments of its alumni. Several graduates, after completing their legal education at this esteemed institution, have successfully entered the judicial services and are presently serving with distinction in the judiciary. This notable achievement stands as a testimony to the University's rigorous academic training, analytical discipline, and strong ethical orientation, which together equip its students to uphold the rule of law and discharge their responsibilities within the justice delivery system with competence, integrity, and dedication. I extend my heartfelt best wishes to Career Point University, Hamirpur, for its continued pursuit of excellence and for its valuable contribution in nurturing responsible professionals who will serve society and strengthen the justice delivery system with honour and commitment. -Sd- Tejshvi Sharma

Sh Vijay Dogra H.P. State Commission For Schedules Castes, Una (H.P.) Mob:- 9418132254 This is to formally place on record my testimonial in respect of Career Point University, Hamirpur, in connection with its submission and evaluation under the Indian Institutional Ranking Framework (IIRF). It gives me immense satisfaction to acknowledge the commendable efforts undertaken by the University in advancing equitable and accessible higher education within the State of Himachal Pradesh. The institution has consistently demonstrated a strong commitment toward ensuring access to quality higher education for students belonging to Scheduled Castes, Scheduled Tribes, and other socially and economically weaker sections. Its policies, outreach initiatives, and structured support mechanisms reflect a genuine and sustained concern for equity, empowerment, and social justice, I particularly appreciate the proactive role played by the University in facilitating scholarship support for eligible students. It is noteworthy that the institution has enabled students to avail Government financial assistance exceeding Rs. 8 crore. This substantial support has materially reduced the financial burden on deserving families and has encouraged beneficiaries to pursue higher education with dignity and confidence. The transparent procedures, dedicated guidance, and systematic follow-up adopted in scholarship matters demonstrate commendable administrative efficiency, accountability and sensitivity toward marginalized communities The University has also exhibited progressive academic development through faculty engagement in research publications, innovation initiatives, academic collaborations, and institutional strengthening. Such efforts contribute positively to the higher education ecosystem of Himachal Pradesh and reinforce the University's growing academic credibility Based on the information available to-me and my understanding of its institutional initiatives, I am of the considered view that Career Point University, Hamirpur, has developed a progressive, inclusive, and academically vibrant environment. This testimonial is issued in good faith in support of the University's academic profile and institutional credentials for evaluation under the IIRF 1 extend my best wishes to the University for its continued advancement in promoting inclusive education and uplifting students from SC/ST and other disadvantaged backgrounds, thereby contributing meaningfully to social transformation and nation-building. -Sd- Vijay Dogra

Kartar Singh Sonkhle, Padma Shri Awardee, Mob. 9418679993:- करियर पॉइंट विश्वविद्यालय द्वारा संचालित सामुदायिक सेवा गतिविधियाँ उच्च शिक्षा की सामाजिक भूमिका को प्रभावी रूप से परिभाषित करती हैं। विश्वविद्यालय ने यह सिद्ध किया है कि एक शिक्षण संस्थान केवल ज्ञान प्रदान करने का केंद्र नहीं, बल्कि समाज के समग्र विकास का सक्रिय भागीदार भी हो सकता है। ग्रामीण परिवेश में स्थित होकर विश्वविद्यालय ने स्थानीय समुदाय की आवश्यकताओं को समझते हुए योजनाबद्ध एवं निरंतर सेवा कार्यों को अपनाया है। विश्वविद्यालय द्वारा ग्राम गोद लेने, कृषि जागरूकता, पर्यावरण संरक्षण, स्वास्थ्य एवं सामाजिक चेतना से जुड़े कार्यक्रमों का संचालन दीर्घकालिक दृष्टिकोण के साथ किया गया है। इन गतिविधियों में किसानों, महिलाओं, युवाओं और विद्यार्थियों की सहभागिता ने समाज और शिक्षा के बीच सशक्त संबंध स्थापित किया है। वृक्षारोपण, बीज वितरण, नशा मुक्ति जागरूकता एवं स्वच्छता जैसे अभियानों के माध्यम से विश्वविद्यालय ने सामाजिक व्यवहार में सकारात्मक परिवर्तन लाने का प्रयास किया है। यह विशेष रूप से सराहनीय है कि विश्वविद्यालय की सामुदायिक सेवाएं केवल औपचारिकता तक सीमित न होकर वास्तविक समस्याओं के समाधान पर केंद्रित हैं। शिक्षकों और छात्रों की सक्रिय भागीदारी से अकादमिक ज्ञान का व्यावहारिक उपयोग सुनिश्चित हुआ है, जिससे विद्यार्थियों में सेवा, संवेदनशीलता और सामाजिक उत्तरदायित्व की भावना विकसित हुई है। करियर पॉइंट विश्वविद्यालय ने यह उदाहरण प्रस्तुत किया है कि शिक्षा और सेवा को साथ-साथ आगे बढ़ाया जा सकता है। इसकी सामुदायिक सेवाएं ग्रामीण सशक्तिकरण, सामाजिक समावेशन और सतत विकास की दिशा में एक प्रेरणादायक मॉडल हैं, जो अन्य शिक्षण संस्थानों के लिए भी अनुकरणीय है। -Sd- Kartar Singh Sonkhle

Mr. Neeraj Raizada, Social Worker, Industrialist and President, Ekal and Federation of MSME Vendors of Defence and Aerospace (FMVODA), Mob. 8875544777:- Career Point University, Hamirpur reflects strong academic governance, quality faculty, and a growing research ecosystem, making it valuable contributor to the higher education and innovation landscape of Himachal Pradesh. We acknowledge and appreciate the consistent academic growth and institutional development demonstrated by Career Point University since its establishment under the Himachal Pradesh State legislature. The University focus on academic excellence, research orientation, innovation, faculty development, and community engagement reflects a strong commitment to advancing higher education in the region. The contributions of the University's leadership, faculty, and academic ecosystem towards research publications, patents, quality teaching, and student development are noteworthy. The emphasis on industry collaboration, skill enhancement and societal contribution aligns well with national priorities of education, innovation, and capacity building. Based on our understanding and interactions, Career Point University has established itself as a credible institution contributing positively to Himachal Pradesh's higher education landscape. We believe these efforts merit due recognition within national ranking frameworks such as IIRF. We wish the University continued success in its academic research, and institutional initiatives and

look forward to exploring meaningful collaboration opportunities in the future, particularly in areas of skill development industry interface, and MSME engagement. -Sd- Neeraj Raizada
